A LEGACY YOU CAN TRUST

Every weekend from April-October on our patio at the winery we offer tastings of our estate wines and meads as well as brunch, local beer/cider, and other NYS craft cocktails.

In addition to considering us to host your shower, also keep us in mind for rehearsal dinners, farewell brunch, estate favors and centerpieces !

SGW is a part of a family owned and operated catering company, Birch Hill Catering, with nearly 90 years of experience. SGW is women owned/operated and has a top notch team that you can trust. We are equipped to ensure that you and your family can sit back, relax and enjoy the party!

There are so many different options for you to choose from, and everything is 100% customizable to your style, preference and budget. Choose from our different venues, menus and bar options (and we're always open incorporating your latest Pinterest inspo).

We are located 15 minutes East of Albany, NY in Castleton. The Winery is located right next to the barn at the top of the property outside the vineyard, it is a yellow building. The Lodge is the venue below the parking lot and The Center is .5 Miles from the farm.

Please park in the parking lot below and enjoy the walk up. Handicap parking available up outside the barn. We appreciate the opportunity for our family to host you and your family here.
